## WELCOME BACK STUDENTS AND PARENTS!

The following information will help you to understand how the Sodexo dining experience will work at Waukegan schools. Keep it handy to use as a quick reference throughout the year.

We encourage you to contact us with questions, comments and suggestions about your students' dining experience. Your feedback is always welcome, as it can help us to serve you and your student better.

We wish you the very best for your students' academic year and we are excited to help your student achieve both in the classroom and in life with our outstanding school nutrition program.

## OUR FOOD AND NUTRITION PROGRAMS

### The Clubhouse (Elementary School)

The Clubhouse makes nutrition fun for elementary students. Featuring healthy food choices and fun events where every student feels part of the club! Students will experience a variety of menu options complete with monthly nourish specials, learn about the importance of nutrition and wellness through monthly educate materials, and feel part of the club as they participate in the monthly entertain activities.

### foodiE Cafe (Middle School)

foodiE is Sodexo's new middle school dining program. Today's middle schoolers understand food more so than ever before. Trending flavor profiles, convenient meals, sustainable alternatives and healthy options – *served fast* – are just a few expectations that top the list. foodiE creates a space where students can **enjoy**, **engage**, and **explore**. foodiE is not just about food. It's food that that....tastes good. feels good. does good.

### Taste4 (High School)

Taste4 was created for high school students by high school students. This concept revamps the classics - salads and wraps, deli sandwiches, pasta, grilled favorites, and pizza, elevating school lunch for today's sophisticated palettes. The menu features world flavors, spicy comfort foods and unique, fun food combinations.

### So Happy

So Happy is an easy-to-use menu and nutrition app that allows parents and students to see all ingredients and allergens in every meal served in their school cafeteria on a weekly basis. Available as a FREE download on the App Store & Google Play. Search "So Happy"
